

# Sweetfarm Solar Farm

**Capacity**

4 MW

**Project Type**

Solar - Planning secured

**Planning Grant Date**

23 May 2016

**Site Location**

(52.476, -6.574)

**Site Overview**

Located in Co. Wexford, Sweetfarm Solar Farm is being developed within the townlands of Sweetfarm and St.Johns. The site is approximately 3 km from Enniscorthy which lies north of the site. The site itself is a working farm of moderate grade agricultural value, generally made up of tillage land. The Solar Farm will be situated on shallow sloping agricultural land currently used for arable farming at an approximate elevation of 28-36m AOD.

Planning permission for this site was granted by Wexford County Council in 2016 and includes for 15 No. Conditions. The grant includes for include one single storey electrical substation building, electrical transformer/inverter station modules, solar PV panels ground mounted on steel support structures, access roads, fencing and associated electrical cabling, ducting and ancillary infrastructure.

The site is proximate to existing electrical infrastructure and the current grid connection point is projected as the Monfin 38kV substation local to the site.

This solar farm is being developed by Highfield Energy as part of our broader commitment to a sustainable future.

**About Highfield Energy**

Highfield Energy develops, constructs, owns and operates electricity generation projects with a particular focus on renewables. Possessing significant technical and market expertise Highfield Energy optimises potential developments in order to provide the highest quality results. Highfield Energy has a proven track record of working in partnership with developers, landowners and wider project stakeholders to promote sustainable energy sources. We currently have over 1 GW of utility-scale wind, solar photovoltaic (PV) and energy storage projects within our portfolio.

For more information visit our website: <http://www.highfieldenergy.com/>

**Our Partners**

Our Irish solar PV development company, Highfield Solar Ltd, is a joint venture between Highfield Energy Ltd, ib vogt GmbH and Aura Power Ltd.
